Information Request Response
PCB Treatment, Inc.
January 2, 1998

QUESTIONS

- 1. Identify the person(s) answering these questions on behalf of Respondent.**

These answers were prepared by J. Kyle Harris with the advice of counsel.

- 2. Identify the person to whom future correspondence regarding this matter should be directed.**

Future correspondence may be directed to Mr. Harris. Items may be mailed to his attention at 800 Bell Street, Room 4111D, Houston, TX, 77002. His phone number is (713)-656-9213 and his fax number is (713)-656-9430.

- 3. For each and every question contained herein, identify all persons consulted in the preparation of the answer.**

All answers shown were prepared by Mr. Harris.

- 4. Identify all names used by Respondent between 1982 and 1987.**

Exxon Corporation is the current legal name. The information requested, while it may be appropriate for a closely held corporation makes no sense for an Exxon. Over its hundred-year history Exxon has had interests in thousands of businesses.

- 5. Identify all persons, including Respondent's current and former employees, who have or may have knowledge, information or documents about the generation, use, purchase, treatment, storage, disposal or other handling of materials, equipment or items at, or transportation of materials, equipment or items to the Sites.**

No such persons have been identified to date.

- 6. Identify all persons with whom Respondent, Respondent's employees or other persons made any arrangements for transportation of materials, equipment or items taken to the Sites. For each transaction, describe the type of arrangements made and submit all documentation relating to such arrangements.**

Exxon has found no indication in it's records of any such arrangements for transportation to the Sites. Documents provided to Exxon by S. D. Myers which indicate shipments to the Sites by S. D. Myers of materials that originated at an Exxon facility are attached.

- 7. Identify all persons with whom Respondent, Respondent's employees or other persons made any arrangements for the storage, treatment, or disposal of materials or items at the Sites. For each such transaction, describe the type of arrangement made and submit all documentation relating to such arrangement.**

Exxon has found no indication in it's records of any such arrangements for storage, treatment or

EXXON CORPORATION

disposal at the Sites. Documents provided to Exxon by S. D. Myers, which indicate shipments to the Sites by S. D. Myers of materials that originated at an Exxon facility are attached.

- 8. Provide copies of all documents including, but not limited to, invoices, contracts, receipts, manifests, certificates of disposal, shipping papers, service orders, and other documents, pertaining to Respondent's transportation of material, equipment or items, or arrangements for transportation of material, equipment or items, to PCB Treatment, Inc.:**

a. Identify all documents pertaining to the transportation or arrangement for transportation of material, equipment or items to Wyandotte Street location;

No such documents have been identified to date.

b. Identify all documents pertaining to the transportation or arrangement for transportation of material, equipment or items to the Ewing Street location.

Exxon has found no indication in it's records of any such arrangements for transportation to the Sites. Documents provided to Exxon by S. D. Myers, which indicate shipments to the Sites by S. D. Myers of materials that originated at an Exxon facility are attached.

- 9. Provide copies of all documents including, but not limited to, invoices, contracts, receipts, manifests, certificates of disposal, shipping papers, service orders, and other documents pertaining to Respondent's arrangements for the storage, treatment or disposal of material, equipment or items at PCB Treatment, Inc.:**

a. Identify all documents pertaining to the storage, treatment or disposal of material, equipment or items to the Wyandotte Street location;

No such documents have been identified to date.

b. Identify all documents pertaining to the storage, treatment or disposal of material, Equipment or items to the Ewing Street location.

Exxon has found no indication in it's records of any such arrangements for storage, treatment or disposal at the Sites. Documents provided to Exxon by S. D. Myers which indicate shipments to the Sites by S. D. Myers of materials that originated at an Exxon facility are attached.

- 10. Provide any information or knowledge in the possession of Respondent, its affiliates, contractors or agents, relating to PCB Treatment, Inc. (such as correspondence you may have received from other persons relating to PCB Treatment, Inc.).**

Documents provided to Exxon by S. D. Myers which indicate shipments to the Sites by S. D. Myers of materials that originated at an Exxon facility are attached.

- 11. Provide any information or knowledge in the possession of Respondent relating to the handling or transportation of material, equipment or items between the Wyandotte Street and Ewing Street Sites by any person and the purpose for such movement of material, equipment or items between the Sites.**

EXXON CORPORATION
Information Request Response
PCB Treatment, Inc.
January 2, 1998

No such information has been identified to date.

- 12. Identify all materials, equipment or items that were rejected from the Sites. For each material, equipment or item rejected from the Sites, state the reason for such rejection.**

No such information has been identified to date.

- 13. State whether Respondent, Respondent's employees, contractors and/or agents, or other persons ever shipped any material, equipment or items to the Sites? If so, provide the following information for each material, equipment or item that was or may have been sent to the Sites:**

Exxon has found no indication in it's records of any such arrangements for shipping to the Sites. Documents provided to Exxon by S. D. Myers which indicate shipments to the Sites by S. D. Myers of materials that originated at an Exxon facility are attached.

- a. the type of material, equipment or item (i.e., transformer, capacitor, switch, etc.);**

The only material indicated in the attached documents is oil.

- b. the size of rating of the material, equipment or item;**

See attached documents.

- c. the name of the manufacturer and serial number;**

See attached documents.

- d. the total weight of the material, equipment, or items;**

See attached documents.

- e. the total weight of oil (in gallons, pounds, or kilograms) contained in the material, equipment or item, or the oil capacity of the material, equipment or item, and the method used to determine the amount of capacity.**

See attached documents.

- f. the type of oil or other fluid that was present or may have been present in such material, equipment or items at the time it was sent to the Sites;**

See attached documents.

- g. describe what steps were taken to determine whether the oil or fluid contained PCB at the time of removal from service or of disposal;**

No such information has been located to date.

- h. any and all documentation, including but not limited to, analytical data which indicates the concentration of PCBs contained in the oil or fluid;**

EXXON CORPORATION
Information Request Response
PCB Treatment, Inc.
January 2, 1998

No such information has been located to date.

i. the date on which the material, equipment or item left your facility;

See attached documents.

j. the time period during which the material, equipment or item remained at the Sites;

No such information has been located to date.

k. the name, address and telephone number of the transporter;

See attached documents.

l. if the material, equipment or item was owned by someone other than Respondent, identify the person owning such material, equipment or item; and

No such information has been located to date.

m. the name(s), address(es), telephone number(s), and date(s) of ownership of any and all prior owners, if any, of the material, equipment and item.

No such information has been located to date.

14. With respect to each shipment of oil to the Sites by tanker truck, in drums or any other method of shipment, provide:

See attached documents.

a. the total amount of oil in gallons, pounds or kilograms contained in each shipment and the method of shipment or type of container used;

b. the type of oil or fluid contained in each shipment;

c. describe the steps taken to determine whether the oil or fluid contained PCBs at the time of shipment; and

d. any and all documentation, including but not limited to, analytical data, that indicates the concentration of PCBs contained in the oil or fluid.

15. With respect to soil and debris shipped to the Sites, provide the following:

No such information has been located to date.

a. a description of the constituents of the soil or debris shipped to the Sites;

b. the total amount of soil or debris shipped to the Sites in pounds, cubic yards, cubic feet, or other type of measurement. Describe the type of measurement;

c. describe the steps taken to determine whether the soil or debris contained PCBs at the time of shipment; and

d. any and all documentation, including but not limited to, analytical data, that indicates

EXXON CORPORATION

the concentration of PCBs contained in the soil or debris.

- 16. List the EPA RCRA Identification Numbers of Respondent, generators, broker, and/or transporters, if any, and identify the corresponding units, facilities or vessels assigned these numbers.**

See attached documents

- 17. If you have reason to believe that there may be other persons, whether or not employed by Respondent, who may be able to provide a more detailed or complete response to any question or subpart of a question or who may be able to provide additional information or responsive documents, identify each such person and the additional information or documents that each may have.**

No such persons have been identified.

STRAIGHT BILL OF LADING — SHORT FORM — ORIGINAL — NOT NEGOTIABLE

Subject to the classifications and tariffs in effect on the date of the issue of this Bill of Lading, the property described below in apparent good order, except for the contents and condition of packages (contents of packages unknown), marked, consigned, and destined as indicated below which said carrier (the word carrier being understood throughout this contract as meaning any person or corporation in possession of the property under the contract) agrees to carry to its usual place of delivery at said destination, if on its route, otherwise to deliver to another carrier on the route to said destination. It is mutually agreed as to each carrier of all or any of said property over all or any portion of said route to

destination and as to each party at a place interested in all or any said property, that every service to be performed hereunder shall be subject to all the bill of lading terms and conditions in the governing classification on the date of shipment.

Shipper hereby certifies that he is familiar with all the bill of lading terms and conditions in the governing classification and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns.
